“ I am so saddened to read this news. I met Terry and Arlene in Miami in 2010. I had finished a cruise and was taking a taxi tour of Miami and was lucky enough to share the taxi with them. We spent a wonderful day seeing the sights and have kept in touch with both of them until Terry's passing and since then with Arlene. She told me how much she would love to visit English castles and we had talked of her coming to the UK to visit and how I would show her as many as we could fit it. I will miss being able to do that but will have a quiet moment and think of her whenever I am visiting one.

God bless you Arlene, now you and your beloved Terry can rest in peace together. With fondest love and happy memories.
