“ So many memories of Billy Joe. The discussions of rummies and cokes at your
wedding Margaret that your dad said he had under control for the two best friends.
yea right, lol. But the two best memories are the March 31, Derek's birthday, sleep
overs at our house with several baseball players before opening day at the baseball
field, wth sleepless nights and the smiles on their faces at their Caravel games and
the laughter they shared. He was so special to us, and we have comfort knowing
Billy Joe and Derek are together again. Blessings to each of you!
