“ Oh Cuz. You have taken your ball and gone home for the final time! I hate being so far away, but I know you're now omnipresent. I also know you sent me that dream on Sunday morning! The best part was the sparkling clean, heavenly bright chandeliers in the grand ballroom which was awaiting the arrival of guests. No more labor, worry or pain. Farewell, my dearest angel, until we meet again in that grand ballroom. PS: will be talking with you sooner than that, I'm sure ;). -Love, Marsha and Dennis
