“ The first time I met Miss Edna, Rick invited me over for dinner to show me what an awesome cook he was, and he is! Miss Edna was so welcoming to me, and it was easy to see how very much she loved her family, she liked to refer to herself as the Queen of the family, it was a very fitting role for her to claim! I had the pleasure of making Edna's birthday cakes, as well as Rick's and Lee Ann's, and after that every weekend I came over Edna would say "did you bring cake", and she would tell me I couldn't come in if I didn't have cake On Sunday evenings when it was time for me to go home, she would tell me she was sorry to see me leave, and she would sometimes tell me "don't take any *\$%! from anyone". Miss Edna was a true Queen of her family, and we all loved her dearly, we know she is in a better place, but it is still so hard to say good bye. She will be greatly missed, she is now with her beloved Husband and Son, whom she hasn't seen in a very long time. We now have another Angle in Heaven to watch over us!

Love you Miss Edna!

“ Edna is a wonderful lady, and as you wrote, excellent cook!! I learned many things from her that I have and will cherish for a lifetime. I know she will be greatly missed! My deepest sympathies to all of the family. My your hearts lightened knowing she's with Pop, Bobby and many familiar faces, surrounding the Lord.
