“ Eric, you saved my life and became a friend after I left rehab. Your servant's heart will be passed on. I promise. Love you brother. You better be wearing a suit when you greet me in heaven someday.

“ Although I didn't really get to know Eric as well as I'd have liked, being his Aunt, I knew him well enough to appreciate his big sense of humor, just like his Dad's. He always, always had a smile on his face. I can't imagine what his Dad and sister are thinking to see him join them. Rest In Peace Eric Sanford Mattison.
