“ My condolences to your family. I had the privilege of being your mom's Internal Medicine Physician for several years before I left Christiana Care in 2015. She was such a sweet and kind woman and our visits were always ended with laughs about our common Irish heritage. It was an honor and joy to be her physician for several years. My thoughts are with your family.

“ Your mom and dad were our neighbors in Banks Harbor for many years. What terrific people. Your dad made a small kitchen stool for us that we still use. Your mother always said they were two squares living in a round house. Everyone should be so lucky to have such good neighbors. You were blessed to have them in your lives.

“ Dear Madeline, Wayne and John, You know how much I loved your mother. I was so happy to bring her communion every Sunday. I so enjoyed our beautiful and spiritual talks each week, and listening to her stories. She was an amazing woman. She was a blessing to all who knew her. I know I will miss her dearly and pray for all of you too. She will always be in our hearts. Love, Suzanne
