“ Angela,

Life is a gift from God. Our children, family, friends, neighbors, and strangers are all gifts to be savored. Although some days may be full of hardship and sadness, each breath, heartbeat, and thought illustrates the beautiful gift of life. Keep the positive memories alive and thank God for the blessings in your past, present, and future.

Sincere Condolences,

The Congo Family, The Armstrong Family and the Russells....

“ I have a lot of good memories of Jack. He and my late husband, Ken, shared a garden plot and spent good times together planning, planting, and creating new ways to garden. Jack was quite the bicycle enthusiast, and he rode over one day to show me his brand new bike - I have a wonderful photo of him with it. There were some times of sharing the joys of ice cream at a nearby location and of dinners around the Willow Valley Community. My sympathy goes out to Angela and to Jack's extended family.

“ Tom and my thoughts and prayers are with all of Jack's Family. Jack and June were friends of my parents, Glenn and Doris Freedy, for the years they were in Willow Valley. Hence, they were our friends, too. We have many fond memories of Jack during the time my Mom was in The Glen. He was a great help and special friend of our family.
