

Jacqueline M. Wilson Senigo

May 10, 1951 - March 29, 2021

On Monday, March 29, 2021, Jacqueline M. Wilson Senigo passed away at the age of sixty-nine.

Our mother was an avid gardener that enjoyed cultivating flowers and vegetables alike. She found great comfort and relaxation in these endeavors. This most certainly was an extension of her mother's love of cultivating a garden and Dutch heritage, as I remember as a young boy walking through our shared backyards with Oma looking at all the flowers and vegetables prior to dinnertime. Some of my best memories with my mom involving walking through her yard together and admiring her gardens. She was also a member and frequent visitor of Longwood Gardens. As friend Dave Desmond commented upon hearing my mom's passing, "If Jacki Senigo must leave us, Spring is the right season."

Our mother was very talented in sewing and in needlepoint. During Christmastime, my mother would annually craft handsewn individualized tree ornaments or tree skirts for family and friends. She would also create patterned American Flags or give handmade dolls as presents.

As a single mother of three children, my mother graduated from the University of Delaware with a degree in Criminal Justice in twenty-seven months. She began her professional career with Probation and Parole and retired with Superior Court of New Castle County as an Investigative Services Officer.

Our mother is survived by my sister, Tonya H. Wilson; my brother, Craig L. Wilson; and myself, Mark Senigo. She also has three grandchildren: Sophie Wilson, Sarah Wilson, and Kennedy Senigo, with another grandchild expected in August. My mother was also a lifelong member in good standing of a close group of women affectionately known as, "Foxes and Wild Girls."

“ Tonya, Craig, and Mark,
I have many wonderful memories of spending time with your Mom and all of you. Camping, beach trips, canoe camping, and just hanging out at the house were the highlight of a few years of my life. We had so much fun! I still miss Oma and will miss Jacki a great deal. We had not spent much time together over the past few years but I always knew she was there. My thoughts are with you and I hope your happy memories are a comfort to you. Love, Suzanne

“ Jackie was my mentor at the Adult Probation Office. We shared an office in the Carvel State Office building. We were field partners and would go to check on our clients to ascertain compliance. Jackie knew the city and the surrounding areas. This worked well for me as I was somewhat new to Delaware. She was very astute as to the intricacies of the job. I learned a wealth of information from her. It was a pleasure having her as my mentor. It was my first professional job with the state. My condolences to the family. My she rest in Peace!

“ We met Jackie through our mutual friends in Landenberg. We shared many times together to celebrate holidays , listening to music and having a good time.

May she Rest In Peace now in the gardens of heaven
