“ So very sad. What a sweet girl. Such a tragedy. She had a kind heart, loved animals, and mother earth. She was troubled by the ways of the world, and injustices. A kindness, and naivete about her soul. May she be, free and at peace. She had a light about her, and made a difference. Rest in peace Megan.

“ I just heard of Megan's passing... I am so sorry for the loss of such a beautiful soul. Megan was one of my first friends when I moved to Delaware... we had a lot of good times and always laughing back in our younger days. She cared so much about everyone. My thoughts and prayers are with the family. Rest In Peace Megan... you are a shining light.
