“ *I had no idea that my cousin was deceased! OMG what a terrible shock! She and I were born weeks apart and it seems were the only links holding both sides of this family together. I do miss you sweet girl.*

“ *Oh Patti.... I'm going to miss her. My kindred spirit, my big sis. Patti had the best laughter, a smile that could light up a room, a wicked sense of humor & a heart of gold. My girl loved her pups, bleach, mator sandwiches & anything that had to with nature. She is forever in my heart & I can't believe she's gone. The world is a little less bright without her in it. Love you to the bottom of the sea & back again.... your little sister. Dana* ❤️❤️❤️🌻🌻🌻

“ Those of us who were blessed to work with her as REALTORS for Moore Warfield and Glick, will cherish all of the happy memories and laughs and crazy things we did. This woman could make me laugh until my sides hurt. Such a caring and loving soul. Rest in Peace my friend. Will never forget you. Kathy Panco

“ I loved Patty. Everyone did. We worked for MWG together since 1984. Always happy and cheerful! We kept in touch through the years and even until recently. I am deeply touched and will miss hearing her caring voice. We were a tight knit group of real estate agents. When the news circulated, all were shocked and dismayed that this ball of fire vivacious girl could possibly not be with us. Heartfelt condolences to her family. Patty will be sorely missed. ❤️ Jan Newton
