“ I have such good memories of the time I was able to spend with Robin at FBC. She was a joy to be around and has a special place in my heart. I am saddened that I was not able to see her again in this life, but glad to know that one day I will see her again. Prayers for her children that I know she was so proud of and the rest of her family and friends.

“

My Baby Sister,

You have a home in glory land... your wings were ready but our hearts were not. I know that you are with Mom and Dad, singing with the Angels on High!

You raised two totally Amazing kids. I know that you taught them with words and by example to be kind, polite, and Strong in the Lord. Love filled your Home.

Don't worry, you have given them a wonderful foundation and we will continue to surround Danielle and Ryan in love.

You were braver and stronger than you ever knew. I am So proud of you. Even though my Heart aches with loss, I will cherish the good memories that we shared and love you forever. Your sister, Carol

“

Daniel and Ryan, I love you both so much. I want you to know that I really loved your Mom too. Growing up Robin was like a superstar to me. I admired the way she would spontaneously break into song and dance whenever she felt like it. She had the best laugh, smile, and style. Your mom had an effortless ability to brighten any room.

Robin had so many gifts to share with the world, the most amazing gifts were the two of you. Being your mom was her greatest joy. I have so many wonderful memories of Jul and I going to playgrounds with the three of you, since the three of you were so close in age we would hang out all the time. Watching the three of you grow up to be such wonderful young adults is definitely something we both gave thanks for daily. I know that she will be lovingly watching over both of you from heaven. In her physical absence I want you to know that I am here for you in any way that you need, just as I know that she would be there for Madi, Ryder, and Juls. That's family love.

Love,

Aunt Tammie

“ Robin was an extraordinary mother and the best friend I've ever had. She loved her Danielle and Ryan like there were no end. She was so very proud of them and adored what they were becoming in life. I thank God for allowing Robin to be a part of my life and I'm going to truly miss her. Robin and I use to be inseparable and had so much fun together. We had our ups and downs but, always managed to come back together and laugh about what a mess we were without each other. I literally spent years of fun and love with her and she was more like a sister. I will miss her presence. Robin always called us Ebony & Ivory. I will miss you so much but knowing you will be resting with your mom & dad in the Lord gives me peace. Your kids will make you proud when you look upon them. I love you Robin.

“ We just can't believe this. Robin was always so sweet and good disposition. We knew her through NCBA, but also I believe it was her mom's sister that lived in our home town. So we got together during those trips and became closer. In this great loss it is comforting to know she loved the Lord and is with Him now.

“ Robin was a fantastic mother to her children Danielle and Ryan. She loved them more than any thing else in life. She introduced them to God and the Church and they are very active in the Church. Robin was a great person. I loved Robin. She was like my own daughter. We had so many good times together before and after the kids were born. We always did so many things together and went so many places together with Danielle and Ryan. We always did the kids plays, concerts and games together. She loved keeping her house nicely decorated and clean. When the kids were young we always would spend Christmas Eve night together so I could see their faces when they opened their presents at night and Christmas morning. She will be greatly missed. My heart, thoughts and prayers go out to Danielle and Ryan in this time of sadness. Sincere sympathy to all of her family. I love you Robin, Rest In Peace xoxo

“ I'm sorry, but I have to add a funny memory. In 10th we went to winter camp at Camel back Mountain. We were late for chapel and Robin didn't have time to dry her hair and when we went outside, her hair froze.

“ So many thought of Robin in our Teen ministry at 1st Bap. of N.C, What a fun, spirited girl who always had a smile. So glad she knew Christ as her savior and glad for our days of ministry with her.

“ I'm am more then deviated. Robin and I were best friends and joined at the hip, for many decades. I have so many great memories in pics. We were n each other's wedding. I made sure she was standing off to the left, and I'd throw her my bouquet, she caught it like a football. When the Ptomeys house burned down on Tatnall St, I took up a fund for them at Discover Card and I loaded them up with household items. I babysat Danielle while mommy worked from home in Brennan Est. I wish I could of been there with her last Monday, when she got her devistating news. Since 6th grade, we helped each other thru so many trials. This one, only God could help. We did NOTHING but laugh, when together. We had same crazy, silly personality. God needed his angel back. She will b greatly missed but ALWAYS n my . She definitely took a piece of it with her.
