“ We were very sorry to hear of Adam' passing. To us Adam was one of the best supervisors that GM ever had. As a facilitator for the Paint Department I can't tell you how many times he helped me with my Job and my husband as a health and safety representative . He never had a bad word for anyone. Not that he didn't get mad. Oh! He did! We will never forget the time he came up to our Farm here in NY and shared some time with us. Adam was a great hunter and we were only happy to share our deer with him. We will miss him and would like to send our condolences to his Family. God bless you and see you in HEAVEN Adam!
