“Your families are in our prayers for the loss of such a beautiful, caring, wise and “truly” elegant mother, grandmother and great-grandmother. What a blessing to share so many wonderful times with Mrs. Baptiste! It has been said, “When someone you love becomes a memory, the memory becomes a treasure.”

*Regrettably illness prevents my mother and I from attending the Funeral Mass.*

*Rosemary “Rose” and Jannie Smith, my mother, shown in the photo with Mrs. Baptiste attending the wedding of Mr. and Mrs. Robinson. We send our condolences on behalf of the Smith, Breland and Diouf Families.*

“ Agatha Felicia Baptiste, was a remarkable woman full of life and had a beautiful smile. She could sing all the church songs that grandmother used to sing when you were young. She made you feel welcome and comfortable no matter your origin. She always had something spiritual to say when you were down and not sure of tomorrow. Many of you who took care of her got to know her well and admired her. Don't never let her memories be forgotten. Let them be your guide guiding you through life turmoil. She was always ready to extend her hands to help others whenever she could. I was in my grocery store today when I looked up and saw this lady with the features of mommie (as I often call her) and asked myself what is mommie doing here in NC saying goodbye and I smile. Her children, grandchildren, great grands were her pride and joy they brought much joy and happiness to her. Mommie sleep well my friend, sleep well when we will see each other. Good night 🌸
