

Alatta Mae Flueallen

May 31, 1961 - January 9, 2022

Alatta Mae Flueallen, age 60, of New Castle, DE sadly lost her battle with cancer on Sunday, January 9, 2022. Born Alatta Mae Slater on May 31, 1961 in Dover, DE, she spent her early years in nearby Cheswold with her father, stepmother, and 12 siblings. Alatta was the fifth eldest. One of her proudest moments was to be the first in her family to graduate from high school.

Alatta's favorite things in life were the simple pleasures. She enjoyed being with friends and family, laughing, playing cards, eating good food, having a drink, and listening to her favorite music while dancing and singing along. She was devoted to her family, and she loved nothing more than being a mother and grandmother to her "beautiful grandchildren"

Alatta is survived by her son, Richard; her daughter Sabrina; and her grandchildren: Bean, Shy, and Lex. She was preceded in death by her husband, Edward "Philly" Flueallen whom she loved very much. They spent 21 "adventurous" years together on earth. Now they are together again, dancing and singing for eternity.

Family and friends are invited to attend a visitation on Thursday, January 20 from 2-3 PM at the Strano & Feeley Family Funeral Home, 635 Churchmans Road, Newark, DE 19702. A service in celebration of Alatta's life will follow at 3 PM. Burial will be private. For directions or to send an online condolence please visit www.stranofeeley.com. “ I remember I had a Stevie Wonder tribute concert in my choir class for school & one time when my grandmother came over we were playing cards & listening to music. I decided to play Sir Duke & when it came on my grandmom started humming & asked me “whatchu know bout this?”. I started singing the song word for word & my mom mom was so hype she got up, started singing it with me & started dancing with me. My grandmom was definitely a character & she was loved by everyone that she met. I love you mom mom & I can't wait to make you proud.

“ *I met Alatta many years ago when she lived outside of Greenwood. My oldest son and I were staying with a friend that lived across the street from her.*

When we met we became great friends almost instantly. She could make you laugh until your sides hurt and would listen to whatever was going on with you when you needed to let it out. She had a good heart, cared about people and was always willing to help. Although we lost touch throughout the years, I have always considered her a friend. Rest in peace my friend you will be missed.
