

Alexander Vincent Blythe

March 12, 1995 - September 10, 2016

Alexander V. Blythe, age 21, of New Castle, DE earned his wings on September 10, 2016 after his heroic battle against cancer. Alexander was a kind, wonderful, and loving son and brother. He enjoyed family vacations, fishing, spending time outdoors, and traveling the world. Alex was proud to have earned the Life Badge through the Boy Scouts of America. His passing from this world to the next leaves a huge void for his family. He will be dearly missed.

Alex is survived by his mother, Maureen Kay Helmick; his father, Roger Vincent Blythe; his sister, Rachael Blythe and her fiancé, Jordan Straughn; his grandfather, Donald E. Blythe Sr.; and a host of family and friends. He was preceded in death by his grandmother, Irene Blythe and his grandfather, Doy C. Helmick Sr.

Family and friends are invited to attend a visitation on Saturday, September 17 from 10AM to Noon at Holy Spirit Catholic Church, 12 Winder Rd, New Castle, DE 19720. A celebration of Alex's life will follow at Noon. Burial will be private. In lieu of flowers, donations are suggested to the Andrew McDonough B+ Foundation, 101 Rockland Circle, Wilmington, DE 19803. For directions or to send an online condolence visit stranofeeley.com

“ As a freshman at UD in 2009 I did not know what would lie ahead of me. Little did I know it would involve getting to know Alex and that he would become part of my life through AEPi and UDANCE. Alex was our B hero when I first joined and later I became his twin on big brother night of Spring 2010 with Eric Oppenheimer as our big brother in the fraternity. From the moment I joined Alex was at our important rituals and was a part of our brotherhood. I treasure each moment I have had with Alex and remember to this day when he first handed me the wrist band with the Mr. B which he proclaimed with such joy on his face. I have worn that band each day since, unfortunately it was lost last year. However, the memory and life of Alex will always live on from the great times I had with him at UDANCE and beyond. May he now rest in peace and watch over all of us with his huge heart and kindness.

With much love,
Adam

“ Alex was in my English class. He was so wonderful in class discussions! He would take on a unique point of view on many subjects, and shed new light on many social and philosophical issues for all of us. He was brilliant, challenging, and very, very dear. Send love to you all.

“ Alex was truly special and he was so lucky to have a family as wonderful. I have followed his journey through the gofund me updates and am glad he was able to enjoy his birthday in Las Vegas. I was trying to remember how long it's been since he had his Make a Wish granted and when I first met your family. Thank you for sharing your journey and hope you all find peace in your memories. Our hearts are broken. Alex was the sweetest , most lovable young man. He was such a good friend to our Joey throughout their journey together. I will miss his hugs. We will miss his amazing sense of humor and funny remarks. We love you all! We are so lucky to have had the privilege of having him in our lives

“ One of my very favorite memories of Alex is the morning after a birthday sleepover for my son Steve at my home. Rule was if you were still in the house Sunday morning, you got the Sunday morning special - pancakes, bacon, sausage-egg burritos, or whatever - and the pancakes usually had chocolate chips. When I went to bed Saturday night, all 15 kids were wide awake with a goofy game on TV. When I came down the next morning I stopped and looked very carefully where I walked for lo and behold - 4 were in the living room, 4 more were in the kitchen - and the first one I had to step over to get into the kitchen was Alex. He was teased unmercifully about trying to be the first one in line for food. There is something special about memories - one single thing will click and the memory is back - full blown and clear. I'll always remember that and Alex's face as he smiled - the first one in line. Robin Robinson

“ I had the pleasure of meeting Alex by chance one evening at Texas Road house, where I was dining with my family and daughter who had just finished her treatments from childhood cancer. Alex touched us immediately! Such a polite and funny young man, despite the situation he was in. I am so sorry to hear of his passing, as we have followed his journey since that day. Rest in Peace sweet man.
