“ She has been on my mind for such a long time and I wondered why I could not get in touch with her. I met her through Rob, and I always called her Mom. She always thought of me when she would go Yard sailing and find Santa's for me. I will treasure the memories I have of her and my visits with her. I am keeping the family in my prayers as I know all too well how it is to lose a Momma. Praying for God's peace and comfort for those left behind.
