“ I met Mr. Carbone when I worked at Helen Graham, he was so devoted to his missus. I loved both of them so much, he wrote me a personal letter when Rose passed to let me know what had transpired. I'll never forget either of them. My deepest sympathies to the family.

“ Tony was my teacher at Conrad High School in the 50's. He was a very nice man and made a great impression on us. He used to tell me and others if we touched him, "Get you teenage tentacles off the textiles". He was a kind good hearted man and we all loved him. I was lucky to have him as an early influence. May God be with him forever. Dick Broadbent
