“ *Dear Debbie, Brad and Family,*

*We are so very sorry to hear about your Dad. I remember when we were thinking about moving to Delaware, he gathered up some information and gave it to you to give to us. He didnt even know us, but out of the goodness of his heart, he still offered to help. We will never forget that. May you and your family find comfort in all the memories you have made together, for those memories will live on forever within each and every one of you. May your Dad Rest in Peace.*
