

Ashley Rachael Jones

September 11, 1986 - March 11, 2014

Ashley Rachael Jones, age 27, of Newark, DE, went home to be with the Lord Tuesday, March 11, 2014. Ashley was a generous, loving person who would do anything for anyone. She was a devoted and loving sister and daughter. Ashley loved children and enjoyed working with them at her church. She had a great memory and was the “go to” person whenever anyone wanted to know any trivia. Ashley enjoyed celebrating anything Irish and it was always her dream to visit Ireland. She loved shopping and had a large purse collection – something for every outfit. When in school at Pike Creek Christian she was voted Most Fashionable. Ashley loved animals and her puppy Sophie will miss her.

Ashley is survived by her mother, Kelly Novotny and her husband Robert; father, Rodney Jones; sister, Devon Jones; brothers, Robby Novotny and Jeremy Piatt; grandmother, Joan Niemeyer; grandfathers, William Church, Jr. and Louis Jones; and best friend, Amanda Bracero. Brooke, thank you. We had a discussion about a week before she passed away. I asked her if she was saved and she assured me she was. I have that assurance that I will see her again.... Kelly (her Mom)

“ ?I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love. Leo Buscaglia

1 Corinthians 10:13

13. No test or temptation that comes your way is beyond the course of what others have had to face. All you need to remember is that God will never let you down; he'll never let you be pushed past your limit; he'll always be there to help you come through it.

Thank you Tom and CJ and family. So good to see you the night of the viewing. With your busy schedule and the drive, we really appreciate you taking the time. Don't you love how God gives us scripture when we need it, and that it is always the right thing at the right time. God is good.

Thank you Larry, that was so kind. I will call you, but right now it's very difficult. I cry alot, sometimes I feel like I'm in shock. We aren't supposed to bury our children. it's a horrible loss, but kind words really do help. I really appreciate it.

“ Kelly and Rob,

The beauty of a single rose can not equal the mother's love for her daughter. The eternal light shone each time a candle is lit; shows how long that love will last. Now that Ashley has been called to be with the Lord our God..... Each time you light another candle and say another prayer, it will extend the length of that love. Please know that you are all in our thoughts and prayers, until it is our time to be called then we will see Ashley in all those we miss and love.

May God Bless all of you,

Love,

Susan and Rich

“ *Our hearts swell as we remember so many moments of our baby girl and the lovely young woman that she grew into. James and I are reminiscing. Oh, to see another flying butt attack! Ashley, our Bobo, will always be in our hearts. Xoxoxo*

Regina and James - March 16, 2014 at 09:43 PM

She really was so full of life, wasn't she. I miss her smile, and her voice. Really every thing about her. She loved when you would take her out to lunch. It made her feel so grown up, and James has always been her big cousin. I know she is smiling down at both of you, and her heart is full of love.

“ *Ashley my boo. My love. Remembering times hanging out and gossiping about guys and embarrassing stories. We might have lost contact from that time til now but you were always on my mind and in my heart. You were just a bubbly high spirited lady bug! I miss you n love you. If I called you were always there to pick my spirits up.*

You will be forever my angel looking down upon everyone near and dear to your heart.

Monica, I'll always remember you coming over and clearing out more than half of my garden, in preparation for planting. You came over with Ashley and started to work with me. Ashley never liked gardening, that's her sister's thing. The last time I saw you, I had Ashley in the car and we were driving past your work, and you had just got off, and she half hung out the window and was calling your name. It didn't matter how long you two hadn't seen each other, when you got together it was like no time had ever passed. Thanks for being such a good friend.

*Lu and kids,
thank you for your prayers. Lu, I remember when you used to babysit for Ashley and Devon. Then when she babysat for you. she always loved your kids, she had so much fun with them. I thank you for taking the time to send me your love. Without giving away our ages, I have known you since I was a senior in High School. I feel the effect of your prayers, without Christ I wouldn't be able to get out of bed. You and your family have always been important to me. Love you, Kelly*
