“ *My condolences to the family and friends of Ashlyn Sisson. Our Heavenly Father is deeply concerned when death affects the human family especially unexpectedly. Please find comfort that He is near to those who feel crushed in spirit and He revives them by means of the encouraging words found in the Bible.-Psalm chapter 34 verse 18.*

“ Ashlyn was such a beautiful person inside and out. I had the greatest pleasure of knowing her in high school along with her sister. They both had a contagious energy that made you want to be around them. I played softball with Ashlyn and she was always getting us in the mood and ready to play. She will always hold a place in my heart and I'm and truly and deeply sorry for her parents and loved one. My biggest condolences.
