

Barry M. Dunn

January 24, 2017

We have not lost our father.

We were blessed to have a loving father, grandfather and husband for as long as we did.

God blessed us so that we were able to have him home for Thanksgiving as well as Christmas.

Barry was a great man always looking out for his family. Even before himself and his own needs he took care of us and made sure we were ok.

Thank you so much for your love and your heart. We all appreciate everything you have done for us. You have lived a meaningful life and have left a mark that is so deep it can never be lost.

Goodbye Barry, may you live happy in the afterlife with your family and your heavenly father as you continue to watch over us.

You will forever be remembered by your loving Family.
