“ I got baptized with Ms Bea, 2 years in September. I always looked forward to seeing her at bible study on Wednesday nights and at church o the Sabbath. When I hear her name I think of cheesecake. She made the best. I will miss Ms Bea and her smile. So glad I had the opportunity to know her. My prayers sent for the family and friends. My God wrap his arms of love and comfort around each and everyone.

“ Ms. Bea was the light of our small church congregation in the middle of town. She would listen to the sermons, engage with members and fellowship at luncheon with her delicious baked goods. She painted by number and gifted them when she finished to the members. I, the Pastor, was fond of her as a mother in Zion and praised her as a very special person. She loved the children and believed in Christian Education for every child there. Our congregation will never be the same or complete without her presence. She will be sorely missed.
