Tribute Wall

“ August 26, 2013

Today is the first day of school for this new year, you were so looking forward to seeing the children you crossed and loved so much. I have been thinking all morning of the many children you bought clothes for. This past school year you told me about the child that came to school and didn't have a winter coat. When he left school that day and came to your post on his way home, there you were with a new coat for him. You told me how happy and appreciative he was to you. You did so many kind great things, you were such a caring and loving person.

Your 40 years as a county crossing guard is August 29, 2013. That was your goal you told me, you wanted to get your 40 year plaque. Well Tom Gordon, Lt. Gregory and several other county officials brought you your plaque for 40 years of service. I know how much you were looking forward to receiving it and I know you would have loved to have seen it.

Now our plans for retirement have changed. June 2014 it was going to be official, and we were going to finally start to enjoy retirement after years of hard work and dedication. We were both looking forward to going down to Chincoteague and spending time together. I know how much you enjoyed our weekends there, it was always so calming and peaceful.

I have so many wonderful memories of our life together, and all of the wonderful places we went to enjoy our time together. I love how the little things in life made you so happy. Like visiting the small towns on the eastern shore and shopping in the different stores that we both loved to visit. Also I can't forget all your trips to Boscovs, I don't know what they are going to do with out you. It seemed like where ever you went in life you either knew someone or made someone happy in one way or another. You were truly a special person and definitely one of a kind.

I am so glad that we met in high school while at our first job, we were both 17 years old and fell in love. We graduated high school the same year and got married in 1960. We had the best life God could have given us, we were both looking forward to growing old with one another. But unfortunately God had another plan and decided

to take you home.

I want to thank you for all you did for me during our time together, it was a total of 56 wonderful years. Just before you passed away we celebrated our 53rd wedding anniversary. I am so glad we made it to yet another mile stone and that we had such a great anniversary with our friends in our favorite place. And I'm so happy I got to take you on that one last cruise to tangier island. I know neither one of us ever regretted our marriage, we had a wonderful life 2 beautiful children and 6 beautiful grandchildren.

I will miss your smile, your thoughts, your love, and the caring you had for others. I will never forget you, you left me with so many happy memories. I can't wait to see you again someday. I miss you, and I will always love you.

*Your loving husband,
-Ron*
