“ To the family of Mrs. Betty Ann Van Ess, my deepest condolences on her passing. Sometimes we come in contact with people and not knowing the reason. Mrs. Van Ess share her passion and resilient hopes to continue life and live it to the fullest. God has other plans, her mission on this earth has come to an end. I know she is rejoicing on his presence. It was a privilege to get to know her . I share moments with her that I will always remember. Her family especially her daughter Tarah was a great support while she was in this life.

God give comfort in this time of grief.
