“ *I never had the privilege of meeting Beverly. I do however know her daughter and know that she must of been a great woman to produce such a kind hearted free spirit. I am truly sorry for your loss ❤️ I know it has been a tough time for you. I hope you can find a small bit of comfort knowing she is no longer in pain and is in a better place. I'll keep you and your family in our prayers. Much love 💕💕 Shannon and Anthony*

“ *Last summer we were swimming almost every day! I am glad I was able to stay with you last year and do the things we did....swimming, ice cream cones, crabs, getting to cook for you guys here and there and spending time with You Wayne, Leesa and GW. I hope you are at peace now....and no longer suffering...I wish we would have the chance to swim together again...I'm gonna try to keep swimming, Mama, even though at times I just want to sink....Love U...EE*
