“ I'll forever miss her sweet smile and precious laugh. So glad we had the time together that we did... she was extremely special to me. I'll never forget the way she ended every one of our phone calls... ❤️ and she was exactly right in those special words.. Miss Bev taught me so much about life and love and I will forever treasure every moment I was lucky enough to share with her forever. Rest in Peace ❤️~Shelbie

“ *My condolences to the entire and extended Naumann family. What a wonderful lady Beverly was.... On one of our last visits many years ago, Beverly brought me a few pictures of Susan. She was concerned that people would forget..... I literally laughed when she said that and said, Beverly, no one who Ever met Susan, could forget her. As I write this, I have a little tear in my eye, for both.*
