“ *Bonnie was a happy person & a happy baby. When Dorothy had to go into the hospital to have her gall bladder out, a long time ago, as a baby Bonnie came to stay with my family while she recuperated. Bonnie was a joy to care for, pleasant & happy then. She will be missed. May God give your families peace beyond understanding.*

“ *My sincere condolences to everyone who loved Bonnie. She was a great friend growing up. Bonnie, Debbie and I always knew how to aggravate their parents by not sleeping and talking/ laughing all night during our slumber parties.*
