“ *My heartfelt condolences to the Family of (Lolette)Brenda Simmons! This Woman was a very special presence in my life since forever. She was someone who always greeted you with a positive smile. She was always,...just there; everywhere in support! She had the biggest heart and possibly "strongest"(she walked ALOT)! We shared many conversations from the heart. She was very proud of her children and grandchildren. I'll always have love in my heart for you Lolette. Can't believe you are gone(never to be forgotten)! May God continue to bless the Family and keep you all strong and together. Love you - Rosetta Young*
