“ We will forever and always hold Aunt Carmen in our hearts. She was one of the most free hearted person we have ever met. She loved to listen to her music and sing and clap along, she always could put a smile on your face. She also enjoyed spending time with the people that will carry her in their hearts forever. We have so many beautiful memories that we will forever hold in our hearts and we will cherish them forever.

WITH ALL OUR LOVE! REST IN PEACE##imported-begin##Blaze & Hollie Ellsworth##imported-end##

“ My Mom was one of the sweetest people you could ever meet. She opened her door to people who needed help and never asked for anything in return. We have gotten so close as friends since I've become an adult. We had fun working together, telling jokes, goofing off, telling secrets, etc. I wouldn't have traded her for the world. I love her more now than I ever have and I can't believe she isn't here anymore. Losing a parent is so different from losing a friend or other relative. There's an empty space that can never be filled. I am in complete shock that she's gone and will miss her and her unique personality forever. So many people have been blessed to know her. I love you Mom. I'll miss you always.##imported-begin##DeAnna DiCarlantonio##imported-end##

“ Deanna, Rocco and Family,

Having lost my mother many years ago, I know the pain you are going through. It will not be real for you for some time to come. There are no words that will give you comfort but know that those of us that are your true friends will be here for you in any way we can be. Your higher power will give you the strength you need to get through this painful time. Call on that power and those closest to you to hold you up. You are never alone.

Love always,

“ My Li' baby Tarmen, She was like a little sister to me and Nay-Nay. Over the years we laughed and cried with her so many times, especially when her and our brother Ronnie were making home-made candy, supervised by Carmen's momma, Lee. We will always cherish the good times we had with her. I love you sweetheart and may you be comforted for all the pain you've endured. We'll see you soon in God's kingdom.
