“ I had the privilege of working with Caroline. She was a wonderful nurse and she had a great heart. She was such an asset in our department and she will be missed. Caroline retired almost 4 years ago to take care of her granddaughter and she would often bring her in to visit us. I know she treasured that time, she was so proud of her and all of her family, she would talk of you often. I just want the family to know how sorry I am for their loss. Caroline touched many lives throughout her career, patients and her work family. A life well lived but gone too soon. May God Bless you and keep you today and in the days to come.
