

## Charlene Carol Dixon

January 14, 1950 - March 16, 2023

Charlene Carol Dixon, age 73, of New Castle, DE, went home to be with the Lord surrounded by loving family on Thursday, March 16, 2023. Charlene was a selfless, loving person who always put the needs of others before herself. She had a happy personality with a contagious laugh. Charlene was a great organizer and her daughters-in-law loved when she would come over and help. They are grateful for all she lovingly taught them over the years.

Charlene enjoyed listening to music and dancing. She was good competition in pool, cards, and horseshoes. Many great memories were made with family and friends. Charlene was a fantastic mom-mom and her granddaughters, Alexa and Natalya, will always remember the fun they had collecting leaves and drawing with her. Charlene will be deeply missed by all who were fortunate to know her.

Charlene is survived by her sons, Ronnie J. Dixon (Shannon) and Donald J. Dixon (Lucy); granddaughters, Alexa and Natalya; sisters: Joan Howard, Bonita Hilliard and Deborah Barnes; and a host of nieces, nephews, and cousins. She was preceded in death by her husband, Ronnie M Dixon; parents, John and Alma Norman; and sister, Linda Norman.

Special thanks to Bonita, Jeff, Katie, Jim, and Debbie, for their around the clock care of Charlene. The family also greatly appreciated the support of

“ *I could fill up this whole page of how much greatness she brought to everybody's life !! She was like the neighborhood mom always gave you good advice and gave the best candy on Halloween !! Hanging out, playing pool in the back room with all the neighborhood friends man I sure do miss those days everybody grew up and had their own lives !!*

*My biggest memory is when she asked me to paint her house and she had all this wood trim that didn't get painted and I showed up that Saturday and she had spent all day the day before taping off all the trim windows anything that was wood she taped it off and it took everything I had to tell her that I was sorry, but I have to take all that tape off because I have never trusted tape because the paint always bleeds behind the tape back then they didn't make all the good stuff they make now I'd rather freehand it so I just told her how appreciative I was of her going through all that work and trouble but I am truly sorry of what I'm about to do I'm gonna have to rip all this tape off all she could do is give me this crazy look ,She said you know what you're the professional I should've just let you take care of it in the first place 😭😭 she will be truly missed and definitely never forgotten!!! I pray for everyone in her family! We were all like family The Chelsea boys!!*

“ My deepest Sympathy to Charlene’s family to have the strength and comfort from each other to get through this sorrowful time. Charlene was such a kind, caring and had so much love for everyone. I had the privilege to have been her neighbor for so many years and have so many fond memories of her especially all the fun times dancing at her parties. She will be miss by so many people, rest peacefully my friend!

“ One of my first and best memories is Charlene calling me for Wes. We’d met but I think he was wondering whether or not to call. She just picked that phone right up and called and asked if I’d go out with him. The rest is history!! ❤️. Will miss her dearly but am at peace with her peace and comfort she has now. She made everyone that she loved feel loved..❤️ Wes has many happy memories of his fav. He loved her immensely..❤️
