

Charles "Chuck" H. Strawn

May 9, 1977 - April 30, 2026

Charles "Chuck" H. Strawn, age 48, of Newark, DE, passed away on Thursday, April 30, 2026. He worked most of his life as a carpenter and a jack-of-all trades. He took great pride in helping others with their repairs/projects. He would always go that "extra mile" to get the job done. When Chuck wasn't working, he enjoyed fishing, shooting pool, throwing darts and just hanging out with friends and family. His favorite team was the Seattle Seahawks and he never missed the opportunity to watch them play. He always looked forward to the holidays and celebrating them with friends and family.

Chuck is survived by his siblings: Wayne R. Strawn, Jr. (Andrea), James D. Simms, Jr., and William Simms (Yazmin); and nieces: Tha'Lya, Aliciana, Mya, Allyson, and Gabriella. He was preceded in death by his parents, James Sr. and Virginia Simms.
