

Christine Dover

July 10, 1954 - August 21, 2016

Christine Dover, age 62, of Newark, DE passed away peacefully surrounded by her loving family on August 21, 2016. Christine was a kind and nurturing woman who was devoted to her husband, children, and grandchildren. She was a great cook and enjoyed making delicious meals for her family. Christine always made people feel welcome. She had a “green thumb” and enjoyed flower gardening. Christine was a very proud mother who loved to talk about her wonderful children and their accomplishments. She loved spending time with her family and grandchildren. She was also very fond of her grandcat, and her granddogs, especially her beloved Lola. As an organ donor with the Gift of Life program, the selfless gift of Christine’s kidneys, liver, and corneas extended the lives of three people and granted another the gift of sight.

Christine is survived by her husband, Alexander Dover; her daughter, Charlene Dover; her son, William Howard Dover; grandchildren: Ashlyn Long, Justin MacMillan, and Joshua Dover; and great grandson, Levi Jernigan.

Services and burial will be private.

“ Thank you to my beautiful Grammy for giving me so much love growing up. I will never forget our fun times cooking in the kitchen (me watching delicious meals come to life). She never forgot all of the foods I liked and disliked, and even gave recipes to my mother customized to my exact liking.
I'll always remember stealing all of her shoes because we wear the same size, sneaking up to her room, and her handing me grand daddy's box of chocolate covered cherries and letting me eat the whole box.
More than anything, I'm going to miss her hugs, and my birthday phone calls. Every year, I always answered the phone to the entire birthday song.
I never expected to lose her so soon, but I find joy in the fact that she was able to hold her very first great grand son before she left. I will miss her every single day.
