

Christopher G. Leary

February 1, 1959 - April 28, 2025

Christopher G. Leary, 66, of Lancaster, PA, passed away peacefully on April 28, 2025, surrounded by the love and care of his family after a courageous battle with cancer.

Born on February 1, 1959, to Gloria Archer and Lewis Leary, Christopher grew up in Ridley Park, Pennsylvania. He proudly served his country in the United States Army and went on to dedicate his life to working in various customer service roles—always bringing humor, honesty, and a strong work ethic to everything he did.

Christopher was a proud father who raised his children on his own, instilling in them the importance of resilience and laughter. He is survived by his children: Jessica, Amanda, Lauren (and her partner Kurt), Joshua, and Danielle (his step-daughter, and her husband Tyler). He was a devoted “G-Pop” to Savannah, Raleighlynn, Georgia, and Xavier. He is also survived by his sister, Peg Dorce. Christopher was preceded in death by his partner and best friend, Lisa M. Pepper, who passed on June 28, 2023.

A man of many passions, Christopher had a love affair with dark chocolate—especially his prized raspberry jellies from Boscov’s (don’t even think about touching his stash). He was fiercely loyal to hoagies, BBQs, the Philadelphia Eagles, and WWE Wrestling—because nothing says “relaxation” like body

slams and burgers. He also loved watching golf and fishing on TV. We never quite understood the appeal of watching someone cast a line or line up a putt for twenty minutes—but to Chris, it was must-see TV. He was also a sharp pool shark and a fierce bowler, known to talk just enough smack to back up his skills.

Those who knew Christopher will remember him as a true character—funny, sarcastic, charismatic, and always unapologetically himself. He wasn't afraid to speak his mind, but he did so with a sharp wit and a heart that deeply loved his family. He will be deeply missed and forever remembered.

Per his wishes, Christopher will be cremated, and no formal services will be held. To send an condolence, visit www.stranofeeley.com

“ Now that I'm grown and no longer a teenager, what I do know of chris he was a great man, and father. He loved his kids very much, and did his best to protect each one of them in his own way. But when I was a teen oh man did I have a dislike for that man and his was worse for me. Lol. Rest easy in eternal peace Mr. Leary, no more pain or discomfort. Just youthful and happiness.
