

## Christopher "Chris" Newman

August 24, 1955 - February 22, 2026

Christopher Newman, 70, passed away on Sunday, February 22, 2026, following a years-long battle with Parkinson's Disease and a brief, yet incredibly brave and determined, fight against Melanoma. Chris was preceded in death by his beloved parents, Fred and Alice Newman.

Chris was born in Accrington, Lancashire, England, moving to the United States at age 20 with his family. He worked in manufacturing for several companies, first in South Carolina and later in Virginia. As his health declined, he moved to Delaware to live closer to one of his sisters.

Chris was an avid sports fan. His love for the NY Giants and his Georgia Bulldogs could only be surpassed by his lifetime of loyalty to the Manchester City Football Club. He loved playing soccer as a youth and, later, in men's leagues. He also looked forward to many a weekend spent on the golf course with his dad.

Chris is survived by his sisters, Sandra Prichard (Mark), Augusta, GA and Valerie McCartan (Jack), Newark, DE; and his niece and nephews: Hilary and Ian Prichard, and Luke McCartan; as well as the cousins he cherished in England and Scotland.

Chris' family is grateful to his caregivers at Pike Creek Nursing &

Rehabilitation for their compassion and friendship over these last four years. Chris would especially want us to thank Cheryl, Finda, Jocelyn, Barbara, Bright, and Tony. You each made Chris' days lighter and brighter. He loved each of you. Thank you.

In lieu of flowers, donations in Chris' honor may be made to The Michael J. Fox Foundation for Parkinson's Research, P.O. Box 5014, Hagerstown, MD 21741, or online at [give.michaeljfox.org](http://give.michaeljfox.org). Services and burial for Chris will be private.
