“ To Joe and all the Rogers family. I will never forget the great times Joe and I had with Butch. We went camping in the old ford truck that Butch loved so much and went on many hunting and fishing trips. I spent so much time at the Rogers' house that I felt like family and they all made me feel as if I was. Butch was a great man and he will be missed by many especially me. I hope as you go through the grieving process you are able to think about all the great times and Butch's legacy. I'm sorry that I couldnt make the viewing due to work but my thoughts were with you all.

“ To Mr. Rogers - I dearly loved your Dad. No one could make me laugh as he could. When he joined the staff at Truluck Enterprises my days were more fun and I always had a guy who would and could do anything. One of the most resourceful men I've ever known. My own personal "MacGyver". He once made a tool out of a tin can. So Brilliant . I will forever cherish the vision of him in the "bad" Santa hat. Amazing. To Butch, always sweet, always fun and always remembered by this girl. Hug to your Mom from me. Love Linda
