“ Dearest Family and Friends of Craig,

*I just watched the service for him and I want to Thank you for allowing me the chance to pray with you all and wish him Love and Comfort until we meet again!! Craig was always kind to me and made me feel Loved and welcomed wherever we met. I spent a lot of time with him, Terry and his father at their home when we were younger. He would always smile and laugh and hug us all the time and he was a joy to be around. He was not a Quiet soul so his laughter and presence was always known!!! LOL ;) Everyone I have told of his passing all say the same thing that was repeated at the service....*

*"He was a Great guy!!", "I always liked him!"... That is a good memory to leave behind!!*

*See Ya on the other side! Rest easy until then, Peace! XOXO Judy*
