“ *Always remember his beautiful smile. As a former neighbor, we had the privilege to watch a loving father take the time to enjoy and play with Joseph. It was obvious, Joseph idolized him, following him around the yard with his wheel borrow,, shovel, etc. Whatever Dan was doing, Joseph was there doing the same. A hard working man with time to spare spending it playing and teaching Joseph to play sports. May he rest in peace. Jay & Margee Mason*

“ *Dear Lisa: Carmen and I are just so saddened by your terrible loss. Dan was such a really nice man and great neighbor. Can still see him playing with Joseph outside on the driveway. He is missed and certainly left wonderful memories.*

“ *My Brother*

*Don't think of him as gone away
his journey's just begun,
life holds so many facets
this earth is only one.*

*Just think of him as resting
from the sorrows and the tears
in a place of warmth and comfort
where there are no days and years.*

*Think how he must be wishing
that we could know today
how nothing but our sadness
can really pass away.*

*And think of him as living
in the hearts of those he touched...
for nothing loved is ever lost
and he was loved so much.*
