“ I would just like to thank everyone who took the time to share their thoughts. Dave was my soulmate, my best friend, and the best father any one could ask for. He was the funniest, coolest person to be around and no matter what he always made sure myself and his children were taken care of. David Jr. and Katie were the light of his life and we will cherish all the great times we had. Our life will not be the same without him in it but now David ad Katie have their very own guardian angel.

“ I feel very unfortunate i never got a chance to know my fathers cousin, David. Even so, each time i met someone who did know him they always asked, " are u related to Dave Butterworth" " yeah but i don't really know him" " That cat is wild", and it always made me smile. Those friends of his really seemed to love him, and they always showed me respect because of him. So to the cousin i never knew R.I.P., love ya buddy, I'll catch you when they call my number
