“*“Brother” Dave brought a great deal of joy into my sister's life which was clearly notable to anyone who knew her for any amount of time. Dave's contributions to his country were also notable and admirable to his "new" family. He was respected and well liked by all of his "new" family also. It was hoped that over time brother Dave would allow a bit more intimacy but that clearly was not easy for him to accomplish. He will be missed and sincere condolences to my sister Dita are conveyed on behalf of myself and Jackie as well as my cousin Gina who informs she cannot be here but is assured that her proxy will not be unnoted. Love you D - Chris Amalfitano*
