“ *To MaryLou and family:  
I am saddened to hear the news of Dave's passing. Dave hired me to work at Lehigh Valley Safety Shoes in 1995. He was a great manager to work for and treated everyone well. I'll never forget his patience as I went through the process of learning to drive the truck and earning my CDL B license.  
My sincere condolences to the family and friends impacted by Dave's passing. I know he will be missed by many.*

“*Dave was very devoted to his family, especially to MaryLou. I have often told people that I only know 2 couples that really seem to completely love each other and Dave and MaryLou were one of them. Dave had a good soul, great sense of humor and loved his children and grandchildren so much. He will be dearly missed. MaryLou, call me if you need anything at all. I love you.*
