“ You were loved dearly & will be missed by the whole family Aunt Delva! You are out of pain & with many of your loved ones. The loved ones that are living without you are left with that pain & we all will catch up again when it's our time to be angels. Please keep watching over my mom, she misses you & marilyn so very much. We will continue to keep your memory alive as well 🥺🥺

“ I have lost the one person in my life I could always go to when things were not going so well. Delva always knew what to say or show a different light on the subject. Although she was our cousin to me she was always the MATRIARCH of the family. She has baby sat most of us and has always been there when we needed her. My heart hurts and feels very empty now. I did get to spend time with her a couple of days before she went home to be with our Lord. We had a great visit. I love you so much and I am lost without you. RIP Delva Ann now you are well and no more pain. Betty Jane
