“ To the Scotts,

I can't imagine what you are going through. I have known you for a long time and would like to share some of my experiences with you. I can remember coming over and spending the night at the Scott's with my best friend Chris. Having wrestling matches that lasted for a life time. Drinking coca-cola like it was going out of style, playing on the pool table in the back room and almost getting eaten by Rambo(the most ferocious dog ever). Playing old school Nintendo and then moving up with some 007 action. While all that was driving Alison & Denny crazy, they always made me feel welcome at home always. Cooking breakfast in the morning for us and never complaining about the crazy kids that were terrorizing their home. When we grew up, Chris & I, they always welcomed me to go on their boat. Probably my favorite adventures were a day on the boat just relaxing and spending time with great people and family. Denny was always welcoming and his door was always open. A hard worker, good friend and loving father. I'm sorry I was not there to pay my respects. I was there in spirit and thinking of the whole Scott family. They have always been my family away from home. I love you Alison, Chris, Jeff and Brandon. You will always be part of me and my family.

*With Love and Sorrow,
Chas*

“ To The Family,

Please accept my condolence. I hope that you are able to draw comfort from the scriptures during this difficult time. Let me tell you my favorite text. Job said: "If an able-bodied man dies can he live again ?". You will call, and I myself shall answer you. For the work of your hands you will have a yearning." (Job 14:14, 15).
