“ I met Pastors Wayne and Diana at VCF and attended the Ministerial School. They were fantastic and inspirational. I am so saddened to just have heard about her passing this morning.

Pastor Wayne, you are in my prayers. We know that she is in a much better, much more glorious place, but the pain of her departure is real. May God's peace and love be a constant blanket around you.

“ Diana's smile and kind heart will be missed until we see her again. As she repeatedly told us, absent the body is present with the Lord. Diana & Wayne believe this - so do we. Our deepest sympathy for all of our family. With love, Kathy & Ed

“ On Tuesday my sister Diane went home to be with Jesus. This is my favorite picture of us. I always called her Diane, she called me Richie. These past few days have been difficult, but I know Diane is in heaven praising and worshipping God, all with a restored body. I would best describe Diane's legacy as one who spent time with you showing you the seeds of greatness within yourself. Yes, were all born with them, but to me it seemed like Diane watered them, she spoke encouragement, and positive words into your life. I think of that old gospel hymn, This little light of mine, I'm gonna let it shine, Diane shared that light everywhere she went, it could be half way around the world or right here at home. From deep in my heart, truly look up to Diane, she has spent all her life, building God's kingdom, her reward Will be great. If there is one thing she would want us to continue doing, I believe it would be to keep walking in faith. I believe she is still holding my hand, even while she is in heaven.

“ Dear Wayne and family, we are so sorry for your loss. I have only fun memories of Diana because she loved to laugh and enjoy! You guys stayed in our home a couple of times in Boston and we played games with our kids which was a blast. I will never remember you both without a smile on my face. I pray that God will surround you with His peace and strength and that you will find comfort in all of your amazing memories of your sweet bride. Love, Dick and Susan Ellis
