“ Mom mom...I will always remember all of the good times we had. You will always be in my heart. I just wish I had the funds to come see you before you went to go be with Pop pop. I know you are happy to be back in his arms once again. I will smoke one and sip a cold one for you. Love you always and keep appearing in my dreams like you have been. Alex and Chellee

“ Loving memories of Thanksgiving and Christmas Family Dinners. We are fortunate to have you in our lives. I long missed our sneaking outside and will never again forget the cranberry sauce. Dee, you had me shaking my head and smiling - that is a beautiful memory. May God's Perfect Peace fill Karen and Anthony during their journey of transition. All our Love, The Brayfield's
