“ To the Cecelia Family, I am so sorry for your loss and I wanted to share one of the fond memories that I have of Ms. Dolorez as she was the 1st caregiver along with Susan who I trusted to take care of my babies. I recall bringing my oldest son to daycare without his pacifier or as Ms. Dolorez would call it, his "binky" almost 24 years ago. She would say, "He can't be without his binky so please go back home and get it. If you don't have time to go back home, we'll get someone at the daycare to run to the store and get one for you. I know my kids and if he doesn't have that binky, he will wreak all kinds of havoc and we don't want that." Ms. Dolorez always had a sweet, caring heart and paid close attention to the needs of every child in her care. I love and appreciated her for that. She was a true gem! God Bless her and your family and may she rest in peace.

With deepest sympathy,
~April Walker

“ I remember as a young child when I was spending the weekend with mom and dad during the summer, Dee would be up late at night making potatoe salad, macaroni salad and the best deviled eggs. Early in the morning we would pack up the old station wagon to the point we could not see out the back with coolers, grill, inflatables and a playpen for Susan and Tony and Kevin and Lloyd and Peggy's girls and head to Lums Pond state park for a day of sunning, swimming and eating. It was a good family fun day that I still miss to this day.
