Dear Mae and family, I'm so sorry to hear of Donnie passing. He was always happy and lovable anytime I ran into him and always gave me a big hug. It was fun times growing up with Donnie and all the Johnsons. I'm satisfied that Ralph and Elgie greeted him at the end of his journey. May God comfort you and the entire family during this time. We love you. Dianne and the Moore family.

“ *To The Family,*

*Please accept my condolence. I hope that you are able to draw comfort from the scriptures during this difficult time. Let me tell you my favorite text. Job said: “If an able-bodied man dies can he live again?”. You will call, and I myself shall answer you. For the work of your hands you will have a yearning.” (Job 14:14, 15).
Again, you have my deepest sympathy.*
