

## Donna Charlene Hopkins

March 11, 2020

Donna Charlene Hopkins, age 30, of Newark, DE, went home to be with the Lord surrounded by her loving family Wednesday, March 11, 2020. Donna had an infectious smile and laugh that she shared with everyone. She loved to be with friends and family – especially her friend, Amy, and Aunt Charlene. She liked birthday parties and hearing the birthday song. Donna enjoyed being outside in the warm sunshine, and she loved the sound of the ocean. She attended the Adult Day Program at C.E.R.T.S. where she did pottery and painting. She loved all types of music and playing games. Camping with the family at Beaver Creek Farm Cabins was a favorite event. Donna will be dearly missed.

Donna is survived by her parents, Donald and Patricia Hopkins; and sister, Elizabeth Heft (John).

We had planned a visitation for family and friends and a service (for this coming Wednesday), but we are postponing the service at this time. Because of our love for Donna and her family, we knew that the current conditions would understandably prevent many people from attending. We will let you know when we reschedule this service, and we hope many of you will attend.

The family would like to thank the staff of Bayada Pediatrics, Bayada Home Health Care, and C.E.R.T.S. Inc. for their devoted care. In lieu of flowers,

donations may be made in Donna's memory to C.E.R.T.S. Inc. Action Centers, 52 Reads Way, New Castle, DE 19720. To send an online condolence visit [www.stranofeeley.com](http://www.stranofeeley.com)

“ *I was Donna's CM at Bayada but I have know Donna when she was at Leach. I loved Donna's feisty spirit, and how she would light up when listening to music. But the best was probably when Donna would pretend to be sleep but she heard every word you was saying, lol. Her beautiful spirit will be missed but God needed her beautiful flower more in his Garden so he called her home. Gone but never forgotten, My Fiesty Girl!*
