“ I met Bill & Doris several years ago and am grateful for their influence in my life. After ol' blue eyes passed away, I continued to correspond with Doris & Clarice through cards & letters. I was so happy when I would see Doris' handwriting in my mailbox. I regret that I will be unable to attend her services. Please know that you are in my heart & prayers and how saddened I am to hear of her passing. I know that she & Bill are reunited in heaven even though we miss them so much here. Love, Regina

“ During our lives we meet people that touch us with their kindness, compassion, and love for those they hold close. AD (Aunt Doris) will always hold a special place in my heart and I will always aspire to be as genuine a person as she was. You are missed.
