

Dorothy G. Blodgett

January 3, 1980 - March 19, 2026

Dorothy Blodgett, 46, passed away on March 19, 2026. Born in Wilmington, Delaware, Dorothy was a spontaneous and free-spirited woman who truly lived life to the fullest. She will be remembered for her warmth, her strength, and her ability to bring joy, laughter, and comfort to everyone around her. She loved to dance and have fun, always bringing energy and light into any room she entered. Dorothy enjoyed fishing with her father, a pastime that brought her peace and created lasting memories she held close to her heart. She also had a passion for traveling and embracing new experiences, always ready for her next adventure. One of her favorite trips was traveling across the country with husband Andrew.

Dorothy had a deep love for animals and cared for her four dogs and nine cats as cherished members of her family. They brought her constant companionship and happiness while she brought whatever she could for them. Known for her generous and giving heart, Dorothy helped anyone she could—whether it was family, friends, strangers, or those experiencing homelessness. Her kindness and willingness to give without hesitation touched countless lives and left a lasting impact on everyone who knew her. Her compassion, vibrant spirit, and unconditional love for her family, animals, and community will never be forgotten. Dorothy Blodgett will be deeply missed and forever loved by all who knew her.

Dorothy's greatest pride and love were her children, Mariah and Cody, along with her bonus daughter and niece, Destiny, who held a very special place in her heart. She also deeply cherished her grandchildren Cade and Renee. Dorothy shared a devoted life with her husband, Andrew. She treasured the bond she had with her sisters: Amanda, Angel, and Pearl. She also leaves behind many cousins, friends, and extended family who will deeply miss her presence. Dorothy was preceded in death by her mother, Dorothy Achuff.

“ *The first time I met her was in “the rooms”... and if you know, you know.*

She was sitting behind me and out of nowhere, she took my hair out of my bun and just started playing with it, telling me how thick it was. I didn't even know who she was, but honestly, it felt so good I just let her keep going. At first, I was a little weirded out... like, who is this girl pulling my hair down like that? My hair was really long at the time, and she just went right in, massaging my head like we had known each other forever.

But the truth is, I had really bad anxiety walking into those rooms... and somehow, in that moment, she made it go away.

As I got to know her, there were even times she caused my anxiety too 😂... but that was just her. Real, bold, full of life.

My heart hurts for you, girl... for your husband and your family. I know how much you missed your dad, how deeply you loved your mom, and how much you cherished your sisters.

We were just talking about you the other night when I was over Pearl's. Pearl said, “She's probably ghost punching me right now,” and we laughed... because that's exactly something you would do.

It's still so hard to believe you're gone... but I know you're up there with God. And God looks at the heart... and yours was a good one.

Praying for all your family and friends. May God bless you and keep you during this incredibly hard time.
